**Re: Request for extension of privilege log deadline**  
**Tyler Erdman v. Adam Victor, et al., No. 20 Civ. 4162**

Dear Judge Gorenstein,

This letter is written to request an extension of the privilege log deadline, as listed in your Order dated January 4, 2024, from January 5, 2024 to January 9, 2024. This is the second request for such an extension since the conference held on December 21, 2023. The first was granted by the Plaintiff, and Your Honor issued his deadline of January 5, 2024 in today's Order.

The reason for the extension is due to the fact our point person at the document vendor, who will be assembling the amended log, will be available on a limited basis over the next couple of days due to his wife's imminent surgery. After speaking with him regarding the production of the additional privilege log, the number of entries turning out to be more than anticipated, he expressed to me everything should be done by Tuesday morning, on January 9, 2024. I spoke to the Plaintiff earlier today and he consented to the extension. No other dates need to be changed as a result of the amended privilege log being produced next Tuesday.

PLEASE RESPOND TO BROOKLYN OFFICE

Therefore, we request an extension of the deadline for submitting the amended privilege log from January 5, 2024 to January 9, 2024.

Yours faithfully
